Music Festival Suite *Creating Profiles*

This year in Lethbridge we are accepting Registrations online. We will be making this transition permanent and mandatory beginning next year. This transition will reduce the growing workload on our volunteers, and will allow us to focus more on the festival experience in future years.

We heavily encourage you to begin using the online registration system this year.

Register online instead of using this form at <http://lethmsf.musicfestivalsuite.com>.

You can pay online either by credit card or by PayPal account, and you'll even have your data saved from year to year. Your privacy is also highly protected, and using this online system will save our volunteers hundreds of volunteer hours.

If you have any challenges with the online software, visit www.musicfestivalsuite.com and choose any section in the "Festival Participants" menu, where help is readily available. You can also find walkthrough videos for registering at www.musicfestivalsuite.com/extra-resources.html

You can also contact Natasha Tompkins, the General Manager of the Lethbridge and District Music and Speech Arts Festival at info@lethmsf.org, or at (403) 381-6512.
