Policies & Bylaws Committee Report

P&B Committee Highlights

This year, the committee has been working hard to update the Societies bylaws, which will be submitted to the general membership in November for approval.

Originally, the committee was intending to focus on the Society's policies, however, after deep-diving into the current bylaws, we noticed that it was time to have a full review of this document, and have subsequently put the policies' updating on hold until the new bylaws have been adopted.

Please keep an eye on our social media accounts and our website for our final proposal and advanced notice of a Special Resolution to rescind and replace our current bylaws; this notice, along with the proposed updated bylaws will be posted prior to the end of 26 October 2026. Upon receiving this information, please review the proposal carefully, and write the Board Chairman directly should you intend to raise formal discussion regarding the proposal during the Special Meeting - please include any points you intend to raise in your email. **Your email to the Chair is strictly to allow floor time during the meeting, and is not a screening of your discussion points;** please email chairman@lethmsf.org and Cc vice.chair@lethmsf.org
